**Town Mouse and Country Mouse**

One day Town Mouse visits his friend, Country Mouse. „Hello, Town Mouse,“ says Country Mouse. „Come in.“ He brings some food for his friend. „Thank you,“ says Town Mouse. He eats a bit of the food, but he doesn't like it. He doesn't eat food like this at home in the town.

Later Town Mouse goes to bed, but he doesn't go to sleep. The bed is hard and the bedroom is very dark and quiet. In the evening Town Mouse and Country Mouse go for a walk. The grass is long and wet. Soon Town Mouse's legs and feet are wet. „Do you like this country?“ says Country Mouse. „Well,“ says Town Mouse. „I don't like this country. I want to go back to the town.“

The next day the two mice see a cart on the road. „Come on,“ says Town Mouse. „Let's go to my house in the town.“ They jump on the cart and travel to the town. Town Mouse is very happy in the town, but Country Mouse doesn't like it. There are lots of people walking in the streets. They go to a big house. „This is my home,“ says Town Mouse. „Do you like it?“

At night Country Mouse can't sleep. The bed is very soft, the room is noisy and it isn't dark. The next day they go for a walk, but they see a cat. The cat wants to eat the mice and they must run away.

„I don't like the town. I want to go back home,“ thinks Country Mouse. He jumps into a cart and it takes him back to the farm. In the evening, when they go to sleep, both mice think: „I love my home.“
